Advanced and Creative Hair Professional Apprenticeship – Level 3

Course Information

This Advanced and Creative Hair Professional Apprenticeship in Hairdressing Level 3 is designed for people who have been working in the hairdressing industry for at least 18 months and are looking to move into a higher qualified role.

This qualification could be appropriate for jobs such as:

- Stylist or Hairdresser
- Session Stylist
- Salon Owner
- And further career options

Duration of the Course - 18 months

Mandatory Units and skills required

- Creatively restyle hair using a combination of techniques
- Creatively style and dress hair
- Creative hair colour correction services
- Provide client consultation services
- Smoothing and strengthening systems
- Use fashion forward trends in hair to create a collection of hairstyle looks

Course Structure

To achieve the Advanced and Creative for Hair professionals in hairdressing Level 3 Apprenticeship , learners must achieve the following;

- All units within the mandatory qualification • Maths and English Functional skills at level 2.
- Pass through the gateway ensuring the learner is ready for the end point assessment.
- End point assessment Knowledge Exam
- End point assessment Practical & Oral Questioning Exam
- Collection of Images Portfolio

There is also an option to fast track and work directly towards EPA. This will be a 12 month course and dependant on an Initial Assessment and an in depth Skill Scan.

Progression

Once you have successfully completed your Level 3 qualification, you may wish to progress to another qualification appropriate to your personal development i.e. Customer Service or Management.

There are also privately funded qualifications you may wish to consider e.g. Award in Education and Training Level 3 or Training Assessment & Quality Assurance (TAQA Level 3 and 4.

Please see our brochure and website for the full range of qualifications.

How the course is delivered

Your programme will be delivered at your place of work and will also include online remote sessions. You will be visited by an experienced tutor who will teach and support you to develop the skills required, as well as ensure your readiness for end point assessment.

You will be required to complete an initial assessment which will be used within your portfolio.

You must be self motivated and have the ability to work and research assignments and work towards your course programme.
